

Do not go where  
the path may lead;  
go instead where  
there is no path  
and leave a trail.

*Welcome to Sheridan's 46th Annual Convocation.*

During the course of 11 graduation ceremonies this week, we will celebrate the achievement of over 7,800 individuals who are about to embark on the next stage of their personal and professional lives. We have no doubt that their intelligence and capacity for hard work – combined with the credential that they have earned – will make them well-equipped for this exciting journey.

Sheridan's 133,000 alumni continue to shape the future course of our society in the arts, in business, and in the fields of technology and community service. Their accomplishments have created a reputation for Sheridan graduates as being people who follow their dreams, embrace creativity and innovation, and live with integrity.

We are confident that the graduating class of 2015 will build on the academic accomplishments that we are celebrating today to contribute to the world in extraordinary ways. We wish you all farewell, but not goodbye, and we thank you for having allowed Sheridan to be a part of your lives.

O Canada!  
Our home and native land!  
True patriot love in all thy sons command.

With glowing hearts we see thee rise,  
The True North strong and free!

From far and wide,  
O Canada, we stand on guard for thee.

God keep our land glorious and free!  
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

---

O Canada!  
Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,  
Il sait porter la croix!

Ton histoire est une épopée  
Des plus brillants exploits.

Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.

# The Tradition of the Gown

The tradition of the gown began in the medieval universities of Europe. The practice of wearing gowns became more widespread when gowns were established as the official dress of academics in the 14th century. Historians believe that the long gowns may have been necessary for warmth in the unheated buildings used by medieval scholars, or they may reflect the strong ties that existed then between academic and religious institutions.

## The Gown

The distinctive and colourful gowns worn by the Sheridan faculty in the academic procession today signify the institution from which they graduated and the degree they have earned. The gown for the Bachelor's degree is typically black and has pointed sleeves and is worn closed in the front; the gown for the Master's degree is typically black and has longer oblong sleeves; and the gown representing a Doctorate is very full and has large, full sleeves with the front trimmed in velvet, and three bars of velvet on each sleeve. Those Sheridan students who are earning their Bachelor's degree wear the traditional black gown and students graduating with certificates, graduate certificates and diplomas wear royal blue gowns.

## The Hood

Sheridan Bachelor's degree holders wear a hood draped over the shoulders and back. The satin lining of the hood has been designed to reflect the Sheridan colours of "double blue." The colour of the band that surrounds the hood symbolizes the discipline in which the degree is being granted.

- Fine Arts – White
- Health – Gold
- Computer Science – Maroon
- Business – Beige
- Interior Design – Bilberry

## The Liripipe

The liripipe is a European medieval symbol of academic achievement dating back to the eighth century. It marks the achievement of excellence in the chosen program and symbolizes the graduate's membership in the international community of scholars. The liripipe is bestowed on graduates from certificate, diploma and graduate certificate programs.

## **Randy Pilon**

### *Pilon School of Business*

Randy Pilon is the President and CEO of Virox Technologies Inc., a global leader in hydrogen peroxide-based infection control products. A 1982 graduate of Sheridan's business program, Randy credits his time at the College with laying the foundation for his success in both the corporate world and later as an entrepreneur.

After graduating from Sheridan, Randy joined Bausch & Lomb where he rose through the ranks to become the company's youngest Vice President. In 1998, he ventured out on his own to launch Virox.

Randy completed the Queen's University Executive program in 1995, and went on to earn his MBA from the University of Toronto Rotman School of Management. He was inducted into the Sheridan Alumni Business Hall of Fame in 2006.

Randy's commitment to Sheridan is deep and long standing. He sponsors the annual Virox Future Forum, which offers business students the opportunity to learn from and interact with a panel of industry leaders. He has served on the Board of Governors, and has volunteered his time on numerous occasions in support of the College. In 2014, Randy donated \$2.5 million dollars to Sheridan, the largest personal gift in our history. The Pilon School of Business is named in honour of Randy and his family.

## **Stefan Danis**

### *Pilon School of Business*

Stefan Danis is CEO and Chief Talent Officer at Mandrake, one of Canada's largest executive search and HR consultancy firms. Stefan has over 25 years of experience in executive recruiting. In addition to recruiting dozens of CEOs, he has brokered several mergers and acquisitions. He has also led hundreds of executive engagements in finance, sales, HR, marketing and strategy for various service, not-for-profit and manufacturing companies.

Stefan is a leader in creating and structuring competitive advantages for organizations looking to attract and retain talent. He is a sought-after speaker on a variety of subjects including change management, overcoming adversity and personal leadership, leveraging his story about running 250 kilometers unaided through the Gobi and Atacama deserts.

Stefan started his career in the marketing department of Procter and Gamble, and has held numerous leadership positions in marketing, sales, human resources and finance over the course of his career. He holds a Bachelor of Commerce from McGill University.

## **Kim Davidson**

### *Faculty of Animation, Arts and Design*

Kim Davidson is the President and CEO of Side Effects Software, a company he co-founded in 1987. Side Effects Software is a world-leading innovator of advanced 3D animation and special effects Houdini® software, which has been used in over 500 feature films since 1993.

Earlier in his career, Kim was both a programmer and animator, working on hundreds of commercials and industrial animations. He was also the executive producer of the TV series *Monster by Mistake*.

Kim has been awarded the Technical Achievement and the Scientific and Engineering Awards from the Academy of Motion Picture Arts and Sciences for his work in developing 3D software, and the J. Wesley Graham Medal in Computing and Innovation from the University of Waterloo. He is a board member of Sheridan's Screen Industries and Research Training Centre, and is Chair of the Visual Effects Society Toronto Section.

## **Melanie Egan**

### *Faculty of Animation, Arts and Design*

Melanie Egan has over 30 years of experience in the field of craft and design, organizing major events, conferences, symposia and festivals; curating exhibitions, lecturing, writing, volunteering and advocacy. She is currently Head of Craft and Design at Harbourfront Centre and runs Canada's foremost artist-in-residence program.

She edited *Crafting New Traditions: Canadian Innovators and Influences*, published by the Canadian History Museum. She also curated *STUFF: Ingenuity and Critique – Danish Contemporary Craft*, as part of Harbourfront Centre's memorable SUPERDANISH Festival.

Melanie sits on the Editorial Advisory and Citizens of Craft Steering Committee at Craft Ontario; is a former trustee for the board at the Textile Museum of Canada; and was a founding board member of SKETCH – Working Arts for Homeless and Street-involved Youth. She's also a member of the Professional Advisory Council for Sheridan's Bachelor of Craft and Design program.

Melanie received the George Brown College inaugural Alumni Wall of Fame Award in 2010, and the Craft Ontario John Mather Award for Lifetime Achievement in 2007.

**Michelle Pommells**

*Faculty of Applied Health and Community Studies and Faculty of Humanities and Social Sciences*

Michelle Pommells is the President and CEO of Home Suite Hope, a Halton-based organization that tackles issues of homelessness by providing innovative, affordable accommodations to single parent families, offering options to achieve individual potential, and creating a sense of shared community.

Michelle has more than 20 years of experience in business development and marketing, specializing in product management, project and program management, communications and strategic planning for non-profit and for profit organizations.

Her past roles include Vice President of Marketing for a multinational electronics firm; Vice President of Development for a not-for-profit, family-focused charitable organization; Director of Corporate Communications, Market Research and Business Development for a large healthcare informatics and medical imaging organization; and General Manager of a social purpose enterprise operation committed to providing employment for the economically and socially disadvantaged.

**Laura Sky**

*Faculty of Applied Health and Community Studies*

Independent documentary filmmaker Laura Sky was appointed Senior Documentarian in the Faculty of Applied Health and Community Studies at Sheridan College in 2014. She has also taught film at Queen's, York and Ryerson universities and has lectured extensively throughout Canada and Europe.

In 2004, Laura received an Honorary Doctorate of Letters from Laurentian University for her achievements as "one of Canada's most distinguished documentary filmmakers."

Laura Sky established SkyWorks Charitable Foundation in 1983, following a career at the National Film Board. Over the past 30 years, Laura and her non-profit organization have produced and used documentaries to inspire social change. A socially committed creative artist, Laura Sky has made her personal vision of filmmaking a vibrant and popular reality.

**Kirsty Duncan**

*Faculty of Applied Health and Community Studies*

Kirsty Duncan is a Canadian medical geographer and current MP for the Liberal Party of Canada in the Toronto riding of Etobicoke North.

After graduating from Kipling Collegiate Institute, Kirsty studied geography and anthropology at the University of Toronto. She then entered graduate school at the University of Edinburgh in Scotland, and completed a PhD in geography in 1992.

From 1993 to 2000, Kirsty taught meteorology, climatology and climate change at the University of Windsor. In 1992, as she became increasingly aware of the increasing probability of a global flu crisis, she was led to investigate the cause of the similar 1918 Spanish flu pandemic, which required her to embark on a six-month crash course in virology. Eventually, she began searching for possible frozen samples of lung and brain tissue that might contain the virus.

In 2003, Kirsty wrote a book about her quest entitled *Hunting the 1918 Flu: One Scientist's Search for a Killer Virus*, published by the University of Toronto Press. After the book's publication, Kirsty began speaking about pandemics, which led her to begin teaching corporate social responsibility at the University of Toronto's Rotman School of Management. In 2008, Kirsty published a second book, *Environment and Health: Protecting Our Common Future*.

Kirsty was an Adjunct Professor teaching both medical geography at the University of Toronto and global environmental processes at Royal Roads University, and served on the Intergovernmental Panel on Climate Change, an organization that won the 2007 Nobel Prize with Al Gore.

**Steve Sherriff**

*Faculty of Applied Health and Community Studies*

Steve Sherriff is a career prosecutor who spent 44 years prosecuting killers, crooked lawyers, and all manner of persons who endangered public safety. He recently retired after being in charge of murder prosecutions as Crown Prosecutor in the Region of Peel for over 20 years. Prior to that, he headed up the branch of the Law Society trying to rid the legal profession of dishonest lawyers. He began his career as a drug prosecutor in Toronto before expanding his scope to other crimes. He also worked on the Terrorism Task Force after 9/11.

Steve taught police and prosecutors in every province in Canada for four decades, and was one of the pioneers of modern undercover training and Major Case Management models. Unlike most prosecutors, Steve frequently worked alongside police advising them in major investigations. This is a practice common in the United States and is beginning to catch on in Canada.

Steve dedicated his entire career to community safety, and believes that careers in this field are among the best and most satisfying professions available.

**Akhilesh Mishra**

*Faculty of Applied Science and Technology*

Mr. Mishra is a member of the Indian Foreign Service (IFS). Before arriving in Toronto, he served as Joint Secretary in the Ministry of External Affairs, heading the Northern Division dealing with India's relations with Nepal and Bhutan (2011-2013), and Joint Secretary in charge of Multilateral Economic Relations Division (2010-11). Earlier, he served in the Ministry during 1999-2001 as Deputy Secretary handling relations with Bangladesh.

Mr. Mishra's foreign assignments include: Deputy Chief of Mission in Kabul, Afghanistan (2008-2010), Deputy High Commissioner in Dar-es-Salaam, Tanzania (2005-2008), Deputy Consul General in San Francisco (2001-2005), First Secretary in the Embassy of India, Kathmandu, Nepal (1996-1999), Second Secretary in the Embassy of India, Rome, Italy (1993-1996) and Third/Second Secretary in the Embassy of India, Lima, Peru (1991-1993).

Mr. Mishra holds a Bachelor of Technology and a Master of Technology in Mechanical Engineering, both from the Indian Institute of Technology, Benaras Hindu University (BHU).

**Alex Ciraco**

*Faculty of Applied Science and Technology  
and Faculty of Continuing and Professional  
Studies*

Alex Ciraco is the President of AC Consulting, and has over 30 years of experience in the design and development of complex software solutions in a variety of applications, including real-time process control, laboratory automation and analytical instruments. He is a graduate of the co-op program in Computer Science and Applied Mathematics at the University of Waterloo.

As a co-op student, Alex worked on a safety critical system designed to trigger the orderly shutdown of a chemical plant in the event of an emergency. Later, he went on to develop software for automation systems in manufacturing and food processing applications.

In the mid-90's, Alex managed a group of developers and acted as chief software architect on a world-leading Clinical Laboratory Automation system which used robotics and conveyor systems to move test tubes through a laboratory, delivering them to analyzers for clinical testing, and then returning the results back to the ordering physician electronically.

Currently, Alex is responsible for software and firmware development on a flagship Explosives and Narcotics detection device for a UK-based company. These analyzers are in use at airports and border crossings around the world. If you're a fan of the National Geographic show *Border Security: Canada's Front Line* and have ever seen nervous travellers returning from certain parts of the world, getting their luggage swabbed and tested for narcotics by a border agent, then you have seen his handiwork in action.

Most recently, Alex has participated in the review of Sheridan's Computer Systems Technology program, and has just become a member of the Professional Advisory Council for several of Sheridan's Applied Computing programs.

# Valedictorian Speakers

## **Aqsa Ahmed**

*Pilon School of Business*

Aqsa Ahmed is a graduate of the Business Administration advanced diploma with a focus on HR. She received the student scholarship award from the Human Resources Professionals Association of Peel (HRPAP) in 2014. Aqsa was also a member of the student liaison committee as a student ambassador with the HRPAP. She began working at Manpower during her co-op term last spring, and currently holds the title of Lead Recruiter and Project Co-ordinator. Aqsa is happily married and has a five-year old child.

## **Ruben Clavell**

*Pilon School of Business*

Ruben Clavell is a graduate of the Business Administration – Marketing program. Born in Venezuela, Ruben and his family migrated to North America in search of new opportunities and a better life. After living in the United States for 12 years, Ruben is now a proud Canadian citizen. In addition to achieving high grades throughout his Sheridan career, Ruben was also selected to represent Sheridan at the Ontario Colleges Marketing Competition, where he placed second in the entrepreneurship category. Ruben has a strong passion for business, music and the arts, travel and world culture. His life goals are to travel the world in search of inspiration, and an outlet that will allow him to merge all of his passions into a venture that will let him give back to communities around the world.

## **Nicole Scianaro**

*Pilon School of Business*

Nicole Scianaro is a graduate of the Tourism and Travel program. She previously studied Performing Arts at George Brown College, which prepared her to excel in public speaking. Nicole enrolled at Sheridan with the dream of travelling the world. She gained valuable experience as a décor team member and emcee for a gratitude event held this spring for the program's field placement employers entitled "The Days of Travel Past." Having successfully completed her placement at The Cruise Professionals in Mississauga, Nicole now intends to move to Toronto and explore opportunities in the travel industry. With a passion for adventure and an aptitude for performing, Nicole plans to put both to use in her future career.

## **Nicholas Kattis**

*Faculty of Animation, Arts and Design*

Nick Kattis is a graduate of the Journalism – Broadcast program. An active member of the Sheridan community, he worked as a departmental assistant within his program, mentoring first-year students, producing video content and assisting in the equipment room. He also worked as a multimedia content producer for the Sheridan Student Union, focusing on showcasing and encouraging student engagement. In his first year, Nick conducted an interview with George Strombouloupoulos and received the Shaw Media/Journalism Award of Excellence. He is also the recipient of the Ed Wood Memorial Scholarship, and a class recipient of the Emerge Media Award for Digital Design, for the project #WhatAreTheChances.

## **Rebecca Sully**

*Faculty of Animation, Arts and Design*

Rebecca Sully is a graduate of the Visual Merchandising Arts program. Prior to enrolling in VMA, she received an excellent theoretical and practical education in visual arts through her completion of the Art Fundamentals and Art and Art History programs. She returned to Sheridan to enrol in Visual Merchandising Arts with the belief that VMA would best help her market herself and her skills in the professional world. Rebecca drew before she learned to speak, and continues to express her emotions through her work. She has discovered a love for printmaking and illustration which incorporates her love of nature. She plans to harness her printmaking skills and develop a self-run business using the skill set she has acquired at Sheridan.

## **Justine Gadouchis**

*Faculty of Applied Health and Community Studies and Faculty of Humanities and Social Sciences*

Justine Gadouchis is a graduate of the Animal Care program. She spent 30 years as a high school teacher, teaching health and physical education, before enrolling at Sheridan to pursue a new career. Justine was the recipient of an award for excellence in teaching from the Canadian Association of Physical and Health Education. Other awards have included recognition by her colleagues for her leadership in coaching, and a Lifetime Service Award for Athletics from the Toronto District School Board. In 2013 and 2014 she received honourable mention from the *Toronto Star* for her dedication to teaching. Justine recently completed her co-op placement at an elephant and wildlife sanctuary in Thailand. She firmly believes that it's never too late to pursue your passions in life.

---

**Reshma Banu**

*Faculty of Applied Health and  
Community Studies*

Reshma Banu is a graduate of the Social Service Worker program. She credits her Sheridan experience with giving her a colourful myriad of new learnings, lasting friendships, prized memories and precious life lessons. Reshma was the recipient of the GuardMe Scholarship for academic excellence this year. She helped establish the Sheridan International Students Association at the Davis Campus, and served as its Vice President for three semesters. Reshma also served as an International Student Peer Mentor, and organized a winter coat drive to assist students in need. In addition, she was a member of the Dean's Council. Reshma is passionate about working with diverse communities at risk and rendered helpless due to the systemic challenges they face. She is committed to helping others for the betterment of society in her future career.

**Sherene Pavan**

*Faculty of Applied Health and  
Community Studies*

Sherene Pavan is a graduate of the Early Childhood Education program. Born and raised in India, she lived in Singapore for 17 years before coming to Canada. Sherene began her working life as a researcher in the field of education for the underprivileged. A passion for travel then led her to work as a flight attendant for 12 years. In Singapore, she worked as a supply teacher and education assessment co-ordinator at an international school, while also completing a master's degree in guidance and counselling from an Australian university. During her time at Sheridan, Sherene worked as a Peer Mentor for the Health and Wellness department, and was a member of the International Students Association. She looks forward to working with the children, parents and staff of the daycare centre where she recently secured a full-time position.

**Rabia Mir**

*Faculty of Applied Health and  
Community Studies*

Rabia Mir is a graduate of the Paralegal program. An honours graduate from the University of Toronto and winner of the Queen Elizabeth Aiming for the Top Scholarship, Rabia was selected as one of six Paralegal students to represent Sheridan at the Durham Mock Trial Competition, where her team took first place. Rabia also brought home the Best Advocate Award. An avid reader and writer, Rabia hopes to pursue further education in the legal field.

**Yahya Abdullah**

*Faculty of Applied Science and Technology*

Yahya Abdullah is a graduate of the Architectural Technology program. He views architecture as "an art brought to life, which requires a balance between imagination and workability." Outside of the classroom, Yahya was actively involved in extracurricular activities such as the Sheridan Student Architecture Club. He also submitted an award-winning entry to the President's Creative Challenge. Upon completing his final semester in the summer of 2014, Yahya decided to further his education through an articulation agreement between Sheridan and Lawrence Technological University, where he's working to obtain his Bachelor of Science in Architecture degree.

**Ricardo Chavez**

*Faculty of Applied Science and Technology  
Faculty of Continuing and Professional  
Studies*

Ricardo Chavez is a graduate of the Computer Systems Technology – Software Development and Network Engineering program. Originally from Brazil, Ricardo earned a law degree before deciding to emigrate to Canada and enrol at Sheridan to pursue his passion for computers and technology. For his summer co-op term, Ricardo divided his time between two distinctive projects. For the first half of the term, he worked for Translucent Computing, assisting them in the development of a new storybook app for children. The second half of the term was spent with Sheridan's Undergraduate Research department, where Ricardo assisted in the development of a special crawler that could appear on a television to assist older adults in viewing content shared by family members on social media. The finished product won an award at the Polytechnics Canada Applied Research Showcase. In addition, Ricardo was named a Sheridan Co-op Student of the Year in 2015, and received honourable mention from both the provincial and national co-op associations for his achievements. Ricardo is currently employed by RBC as a technical systems analyst.

# Professors Emeriti

## *Anne Hartley*

Anne Hartley was a Professor of athletic therapy at Sheridan for 32 years before her retirement in 2007. Anne was a member of the first graduating class of the Sports Injury Management diploma program (now the Bachelor of Applied Health Sciences (Athletic Therapy) program). In 1975, she became the first woman ever to hold the designation of Certified Athletic Therapist. From 1974 to 1983, Anne served as Head Athletic Therapist and Clinical Supervisor at Sheridan. She has participated in numerous international competitions as a member of the training staff, including the 1976 Olympic Games, the 1979, 1983 and 1999 Pan American Games, and the 2000 Paralympic Games. Anne was instrumental in expanding the two-year Sports Injury Management diploma to a three-year advanced diploma in 1990, and in achieving accreditation for the program by the Canadian Athletic Therapists Association (CATA) in 1994. Anne was inducted into the CATA Hall of Fame in 2006.

## *William Costigane*

Bill Costigane joined Sheridan directly from the University of Waterloo and was instrumental in the creation of the Chemical Engineering Technology program in 1971 at the Church Street campus in Brampton. Since then he taught nearly every course within the cluster of chemical and environmental programs with grace and style. In his roles as Co-ordinator and Academic Adviser he gave leadership and guidance to students and faculty alike. As Chair and later Acting Dean of what is now the Faculty of Applied Science and Technology, he brought the highest standard of management to a large and diverse portfolio. He was responsible for the creation of a wide range of new programs such as the Environmental Control graduate certificate, and entrepreneurial initiatives within FAST and its predecessors. Bill was an active participant in college-wide and provincial committees. The School of Applied Chemical and Environmental Sciences is grateful to have his continuing part-time presence each fall, and is still the beneficiary of his famous talent for scrounging useful bits and pieces. His career is an example of the effect that one dedicated person can have on a large institution.

## *Mary Kanko*

Mary Kanko was a full-time business Professor from 1988 to 2011. Anyone at Sheridan who came in contact with her over her years at the College quickly realized that her first priority was the students. In her early years at Sheridan, Mary taught in the retail program, later moving on to become co-ordinator of marketing in the late 1990's. She was an early and enthusiastic supporter of the Ontario Colleges Marketing Competition, and she coached, recruited and encouraged Sheridan team members throughout her tenure. Mary not only focused on the success of her students, but went out of her way to assist new professors in adapting to their roles. She was also an avid supporter of student orientation, helping to create innovative programming for incoming business students, and was always on hand to provide a warm welcome to new students. Mary played an integral role in the development and growth of the Business Council, where she provided a safe environment for students to voice their concerns and opinions while developing their leadership skills. In 2002, she was appointed to the newly-created position of Student Life Co-ordinator, which extended her reputation across the College as a tireless advocate for students.

# Honorary Degree Recipients

## *Hazel McCallion*

Hazel McCallion was first elected Mayor of Mississauga in November 1978, and is the longest serving Mayor in the City's history. She was acclaimed in 1980, re-elected in 1982 and 1985, acclaimed again in 1988 and re-elected in 1991, 1994, 1997, 2000, 2003, 2006 and 2010.

Ms. McCallion began her career in Montreal with Canadian Kellogg, an engineering and contracting firm, and was transferred to Toronto in 1942 to help set up the local office. She worked with the company for 19 years before leaving in 1967 to devote her career to politics.

In 1968, she was elected as Deputy Reeve of Streetsville. Ms. McCallion was appointed Reeve, and then elected as Mayor of Streetsville in 1970, serving until December 1973. When the Region of Peel was established in 1974, she was elected to the Mississauga and Peel Regional Councils. She served two terms as a Councillor prior to her mayoral campaign in 1978. By the time she was elected Mayor, she had sat on virtually every committee at the Region of Peel and the City of Mississauga. She has also served on the executive of many federal and provincial committees and associations.

Ms. McCallion has played a leading role for women in politics. She is the first woman to hold such significant positions as President of the Streetsville and District Chamber of Commerce; Mayor of Streetsville and Mayor of Mississauga. She was chosen one of the "American Women of the Year" in *Who's Who of American Women* (which refers to North American women). In 2005, she was appointed a Member of the Order of Canada. Ms. McCallion has received countless other honours over the course of her career, including the BrandLaureate Hall of Fame Lifetime Achievement Award in 2014, which recognizes and honours outstanding individuals who have contributed significantly to the world through their field of expertise.

## *Ignat Kaneff*

Iggy Kaneff is the CEO and Chairman of the Peel-based Kaneff Group of Companies, whose real estate holdings include homes, high-rise apartment buildings, retail plazas and office buildings, as well as six golf course properties.

Mr. Kaneff built his company one house at a time. In 1951, Kaneff arrived in Canada and purchased his first building lot for his own home. Patience, commitment and hard work were the keys to his success. From that one small house, a foundation was laid and a company was born. A dedication to quality and excellence began in 1956, when Kaneff built 27 houses in Mississauga. Innovative design, exceptional building materials and abundant open spaces set Kaneff homes apart from the competition.

With his strong belief in community and his entrepreneurial experience, Kaneff created the I. Kaneff Charitable Foundation in 1986. He tirelessly contributes to charitable organizations and initiatives across the Greater Toronto Area, including the Credit Valley Hospital Foundation, the University of Toronto in Mississauga and the Osgoode Law School Building campaign. For almost 40 years, Mr. Kaneff has hosted an annual golf tournament, which has raised over \$1,000,000 for Community Living, an organization that supports intellectually challenged children in Peel.

In recognition of his business achievement and philanthropic endeavours, Mr. Kaneff has been awarded an honorary Doctor of Laws degree from the University of Toronto; received the Paul Harris Fellowship Award twice; received the Businessman of the Year Awards for both Mississauga and Brampton; and won the Citizen of the Year award from the City of Mississauga.

## *Dean DeBlois*

Dean DeBlois wrote and directed *How to Train Your Dragon 2* which received a 2015 Oscar nomination for Best Animated Feature Film. The hit film by DreamWorks Animation also won the Golden Globe Award for Best Animated Feature in 2015. A two-time Oscar nominee, Dean was recognized in 2011 for *How to Train Your Dragon* which he wrote and directed with Chris Sanders. Dean is now writing the third and final instalment in the dragon trilogy which he will also direct. *How to Train Your Dragon 3* is scheduled for release in June 2016.

Born in Aylmer, Quebec, Dean worked as an animator in Ottawa while simultaneously attending Sheridan. After graduating from Sheridan's animation program in 1990, he was hired by renowned director Don Bluth in Ireland. Dean joined Walt Disney Feature Animation in 1994 where he contributed to *Mulan* (1998), and directed *Lilo and Stitch* (2002) with Sanders.

Dean credits his Sheridan education with profoundly shaping his career and continuing to influence him.

## *Graham Annable*

Graham Annable made his directorial debut with *The Boxtrolls* which he directed with Anthony Stacchi for LAIKA Studio in Portland, Oregon. *The Boxtrolls* was nominated for a 2015 Oscar in the Best Animated Feature Film category.

A native of Sault Ste. Marie, Ontario, Graham graduated from Sheridan's classical animation program in 1991 and worked at LucasArts as an animator for 10 years. He then went on to become creative director at Telltale Games before joining LAIKA as a storyboard artist in 2006, contributing to the Oscar-nominated films *Coraline* and *ParaNorman*. LAIKA is working with Sheridan on a summer internship program for the studio's next film, *Kubo and the Two Strings* scheduled to open in August 2016.

Graham, who is also known for his Grickle comics and videos, calls his time at Sheridan the true beginning of his career in animation.
