

In September 2014 Sheridan welcomed students to its new Bachelor of Craft & Design program. A fifth studio offering industrial design was introduced alongside the classic studios of ceramics, furniture, glass and textiles.

Students will start the degree in their concentration of choice, with grounding in all studios. They will have the option to take electives in other studios to create a personalized, interdisciplinary program.

Did you know?

Sheridan's Faculty of Animation Arts & Design is Canada's largest art school

Annual Craft & Design tuition fees: \$8,703.57

Program duration: four years

Sheridan's Faculty of Animation, Arts and Design has attained a milestone achievement, being the first arts school in Ontario, and only the second in Canada, to earn membership\* in the National Association of Schools of Art and Design (NASAD).

We invite you to stay connected and join us on campus anytime.
